

Participants will also be able to enjoy the venue's various sport facilities including its swimming pool, and as part of the programme be taken on a sightseeing tour of the region.

MUSLIM SOCIETIES: CONTEMPORARY AND FUTURE CHALLENGES

IIIT-MAHYA SUMMER SCHOOL 2019 11 – 20 July, Demirkoy, Turkey 2019

The programme is designed primarily for graduate students from Turkey and neighbouring countries who are majoring in social sciences, humanities, education and Islamic studies, and who are interested in developing their knowledge and expertise. During the course of the programme participants will engage interactively with speakers and colleagues within and outside lectures. On completion they will receive a certificate of attendance from the organisers.

The unique learning environment of the Summer School is intended to broaden and develop young scholars into becoming effective contributors to the betterment of their societies and cognisant of and sensitive to the needs of humanity at large, ensuring peace, mutual respect, better understanding of, and co-operation between, various cultures and communities.
